

Gibson Dunn Represented PT Asianet Media Teknologi in Joint Acquisition with Indosat Ooredoo Hutchison of PT MNC Kabel Mediacom

Firm News | December 7, 2023

Gibson Dunn represented PT Asianet Media Teknologi (Asianet), a Lightstorm Group entity, in the joint acquisition by Asianet and Indosat Ooredoo Hutchison of PT MNC Kabel Mediacom, a leading fiber-based network services provider in Indonesia. Following this transformational acquisition for Asianet, it will have a network of more than 15,000 kilometers of fiber and more than 1.5 million home passes across ten key cities in Indonesia, making it one of the largest carrier-neutral FTTH operators in the country. The Gibson Dunn corporate team was led by partner Saptak Santra and included of counsel Marcus Tan and associates Kai Wen Chua and Amanda Ng in Singapore; partner Patricia Tan Openshaw in Hong Kong; and partner Rob Dixon and of counsel Natalie Lamb in London. Partners Jamie Thomas and Patricia Tan Openshaw led the financing team, which included associate John Cheah and attorney Chee Jun Ann.
