Dallas

Frederick Lee is a partner in the Dallas office of Gibson, Dunn & Crutcher. He focuses on advising special situations investors, other alternative capital sources, private equity sponsors and their portfolio companies on financing transactions.

Frederick has extensive experience representing alternative capital sources in connection with loan originations and distressed investments and private equity sponsors, portfolio companies and other borrowers in connection with leveraged buyouts and corporate finance transactions. He also has extensive experience with restructuring the balance sheet of overleveraged companies. He routinely advises on out-of-court restructurings including exchange offers and debt workouts. In addition, Frederick performs risk arbitrage analysis for special situations investors as they assess potential credit investments.

Representative Experience*

Restructurings

- Represented secured bond holders of Hexion in connection with committed exit financing relating to pre-arranged Chapter 11 plan.
