DEFERRED PROSECUTION AGREEMENT

The United States Department of Justice, Antitrust Division (“United States”) and GLENMARK PHARMACEUTICALS INC., USA (“the Company”), a corporation organized and existing under the laws of Delaware, by and through its undersigned representative, pursuant to authority granted by its board of directors, enter into this Deferred Prosecution Agreement (“Agreement”), the terms and conditions of which are as follows:

Criminal Indictment and Acceptance of Responsibility

1. The Company is charged in the Second Superseding Indictment (the “Indictment”) in the case of *United States v. Glenmark Pharmaceuticals Inc. USA*, 20-cr-200-RBS(s), filed in the United States District Court for the Eastern District of Pennsylvania. The Indictment charges the Company with one count of conspiring with Teva Pharmaceuticals USA, Inc., Apotex Corp., and others by agreeing to increase and maintain the price of pravastatin and other generic drugs sold in the United States, from in or about May 2013 and continuing until at least December 2015, in violation of the Sherman Antitrust Act, 15 U.S.C. § 1.

The Company hereby knowingly and voluntarily waives for the purposes of this Agreement and for the purposes of any charges by the United States arising out of the conduct

described in the Statement of Facts (attached hereto as Attachment A and incorporated by reference into this Agreement) any objection with respect to venue in the United States District Court for the Eastern District of Pennsylvania, Speedy Trial Act, 18 U.S.C. §§ 3161–74, and Federal Rule of Criminal Procedure 48(b). The United States agrees to defer prosecution of the Company pursuant to the terms and conditions described below.

2. The Company admits, accepts, and acknowledges that, under U.S. federal law, it is responsible for the acts of its officers, directors, employees, and agents that give rise to the facts set forth in the Statement of Facts. The Company admits, accepts, and acknowledges that the facts set forth in the Statement of Facts are true and accurate. Should the United States pursue the prosecution that is deferred by this Agreement, the Company agrees that it will not dispute the Statement of Facts set forth in this Agreement, and, in any such prosecution, the Statement of Facts shall be admissible as: (a) substantive evidence offered by the United States in its case-in-chief and rebuttal case; (b) impeachment evidence offered by the government on cross-examination; and (c) evidence at any sentencing or other hearing. In addition, the Company agrees not to assert any claim under the United States Constitution, Rule 410 of the Federal Rules of Evidence, Rule 11(f) of the Federal Rules of Criminal Procedure, Section 1B1.1(a) of the United States Sentencing Guidelines (“U.S.S.G.” or “Sentencing Guidelines”), or any other federal rule that the Statement of Facts should be suppressed or is otherwise inadmissible as evidence in any form. Neither this Agreement nor the Indictment is a final adjudication of the matters addressed in those documents.

Parties to and Scope of the Agreement

3. The Company is organized under the laws of Delaware; its principal place of business is located in Mahwah, New Jersey. This Agreement binds the Company and the United States Department of Justice, Antitrust Division.

Length of the Agreement

4. This Agreement is effective for a period beginning on the date on which the Agreement is filed (the “Effective Date”) and ending three years from the date on which the Agreement is filed (the “Term”). The Company agrees that in the event that the United States determines, in its sole discretion, that the Company has violated any provision of this Agreement, an extension of the Term of the Agreement may be imposed by the United States, in its sole discretion, for up to one year, without prejudice to the United States’ right to proceed as provided in Paragraphs 17–22 below. Any extension of the Agreement extends all terms of this Agreement, including attachments, for an equivalent period, but does not extend the due date for payments provided in Paragraph 8 below, or the terms of divestiture set forth in Attachment E, unless the United States gives the Company written notice to the contrary.

Relevant Considerations

5. The United States enters into this Agreement based on the individual facts and circumstances of this case. Among the facts considered were the following:

- (a) a conviction (including a guilty plea) likely would result in the Company’s mandatory exclusion from participation in any federal healthcare programs under 42 U.S.C. § 1320a-7 for a period of not less than five years, which would likely result in substantial consequences to the Company’s customers and employees;

(b) the Company has agreed to cooperate in the United States' ongoing prosecution into criminal antitrust violations among generic drug manufacturers;

(c) this Agreement has demonstrated that integrity has been restored to the Company's business dealings and operations; and

(d) this Agreement will allow the Company to preserve its financial viability and remain a viable competitor in the generic drug market while preserving the United States' ability to prosecute the Company should material breaches occur.

Cooperation and Disclosure Obligations

6. The Company shall cooperate fully and truthfully with the United States in any and all matters relating to the current federal criminal investigation into violations of federal antitrust and related criminal laws involving the production and sale in the United States of generic pharmaceutical products, including the conduct described in this Agreement and the attached Statement of Facts, and other conduct under investigation by the United States, at any time during the Term, until the later of the date upon which all investigations and prosecutions arising out of such conduct are concluded, or the end of the Term (collectively "Federal Proceeding"). Federal Proceeding also includes any investigation, prosecution, litigation, or other proceeding regarding obstruction of, the making of a false statement or declaration in, the commission of perjury or subornation of perjury in, the commission of contempt in, or conspiracy to commit such offenses in any Federal Proceeding. Upon written request by the Company, the United States agrees to notify the Company if the Federal Proceeding has concluded. The Company agrees that full, truthful, and continuing cooperation pursuant to this Paragraph will include the following:

(a) producing to the United States all documents, information, and other materials, wherever located, not protected under the attorney-client privilege or the work-product doctrine, and with translations into English, in the possession, custody, or control of the Company or its direct or indirect parents, that are requested by the United States in its sole discretion in connection with any Federal Proceeding, as well as providing to the United States a log of any responsive documents, information, and other materials that were not provided, including an explanation of the basis for withholding the materials, and bearing the burden of establishing the validity of any such an assertion;

(b) using best efforts to secure the full, truthful, and continuing cooperation of current and former officers, directors, employees, and agents of the Company as may be requested by the United States in its sole discretion. Such efforts will include making these persons available in the United States and at other mutually agreed-upon locations at the Company's expense for interviews and the provision of testimony in grand jury, trial, and other judicial proceedings in connection with the Federal Proceeding; and

(c) with respect to any information, testimony, documents, records or other tangible evidence provided to the United States pursuant to this Agreement, the Company consents to any and all disclosures to other governmental authorities, including state and local authorities, and those of a foreign government, of such materials as the United States in its sole discretion shall deem appropriate. The United States agrees it shall provide reasonable written notice and an opportunity for the Company to object prior to making such a disclosure.

7. In addition to the Cooperation Obligations described above, during the Term of the Agreement, should the Company learn of or possess any credible evidence or allegation of

conduct that may constitute a federal criminal antitrust offense or another federal criminal offense affecting the competitive process by the Company, or its direct or indirect parents, or by any present or former officers, directors, employees, or agents during their employment at the Company or its direct or indirect parents, the Company shall promptly report such evidence or allegations to the United States. Any information that the Company thus discloses to the United States may include proprietary, financial, confidential, and competitive business information. Public disclosure of the information and reports could discourage cooperation, impede pending or potential government investigations, and thus undermine the United States' objectives in obtaining such reports. For these reasons, among others, the information and reports and the contents thereof are intended to remain and shall remain nonpublic, except as otherwise agreed to by the parties in writing, or except to the extent that the United States determines in its sole discretion that disclosure would be in furtherance of its discharge of its duties and responsibilities or is otherwise required by law.

Monetary Penalty

8. The United States and the Company agree that the Company will pay a monetary penalty in the amount of \$30 million to the United States Crime Victims Fund. While the Company retains the option to pay the monetary penalty in full at any time during the Term, the Company must make incremental payments, without interest, in at least the following amounts on the following schedule: \$2.5 million on or before August 31, 2023; \$2.5 million on or before July 31, 2024; \$5 million on or before July 31, 2025; \$5 million on or before July 31, 2026; \$7.5 million on or before July 31, 2027; and \$7.5 million on or before July 31, 2028. The Company and the United States agree that this penalty is appropriate given the facts and circumstances of this case, including the Relevant Considerations described in Paragraphs 5 and 9. In light of the

civil causes of action, and civil cases already filed against the Company, including the multidistrict litigation *In Re: Generic Pharmaceuticals Pricing Antitrust Litig.*, Case No. 2:16-md-2724, consolidated in the United States District Court for the Eastern District of Pennsylvania, this Agreement does not include any provision for restitution.

9. The United States and the Company agree that the relevant Guidelines fine range exceeds the monetary penalty contained in the Agreement. The United States and the Company further agree that the monetary penalty is appropriate after consideration of U.S.S.G. § 8C3.3(b) due to the inability of the Company to pay a monetary penalty greater than contained in the Agreement without substantially jeopardizing its continued viability.

10. The penalty set forth in Paragraph 8 is final and shall not be refunded. Furthermore, nothing in this Agreement shall be deemed an agreement by the United States that \$30 million is the maximum penalty that may be imposed in any future prosecution in the event of a breach of this Agreement, and the United States is not precluded from arguing in any future prosecution that the Court should impose a higher fine, although the United States agrees that under those circumstances, it will recommend to the Court that the penalty paid under this Agreement should be offset against any criminal fine the Court imposes as part of a future judgment. The Company acknowledges that no tax deduction may be sought, and agrees that no tax deduction will be sought, in the United States or elsewhere in connection with the payment of any part of this monetary penalty.

Conditional Release from Liability

11. In return for the full and truthful cooperation of the Company as described in Paragraphs 6 and 7, and compliance with all other terms and conditions of this Agreement:

(a) The United States agrees that, except as provided by this Agreement, it will not bring criminal charges against the Company for any act or offense committed before the Effective Date, involving an antitrust conspiracy involving the sale in the United States of generic pharmaceutical products and as described in the Indictment and/or the Statement of Facts;

(b) This conditional release of liability does not provide any protection against prosecution for any individual;

(c) Failure by the Company to comply fully with the Cooperation Obligations under Paragraphs 6 and 7 will void the United States' agreement in Paragraph 11(a), and the Company may be prosecuted criminally for any federal crime of which the United States has knowledge; and

(d) The United States' agreement in Paragraph 11(a) does not apply to subornation of perjury (18 U.S.C. § 1622), false statements (18 U.S.C. § 1001), obstruction of justice (18 U.S.C. § 1503 *et seq.*), contempt (18 U.S.C. §§ 401–02), or conspiracy to commit such offenses. Its agreement in Paragraph 11(a) also does not apply to civil matters of any kind, any civil or criminal violation of the federal tax or securities laws or conspiracy to commit such offenses, or any crimes of violence.

Related Administrative Proceedings

12. The Company understands that it may be subject to exclusion, suspension or debarment action by state or federal agencies based upon this Agreement, and that this

Agreement in no way controls what action, if any, other agencies may take. However, the United States agrees that, if requested, it will advise the appropriate officials of any governmental agency considering such action of the fact, manner, and extent of the cooperation and remediation of the Company as a matter for that agency to consider before determining what action, if any, to take.

Divestiture of Assets

13. The Company agrees that, as a condition of this Agreement, it will divest its rights to sell and distribute the generic drug pravastatin as set forth in Attachment E.

Corporate Compliance Program

14. The Company represents that it has conducted a review of its compliance program and has implemented and will continue to implement compliance policies and procedures reasonably designed to prevent and detect antitrust violations throughout its operations.

15. The Company further represents that it will continue to periodically review its antitrust compliance program and make any necessary adjustments and updates based on changes in the Company's operations, circumstances, legal developments, and industry practices, as set forth in Attachment C to this Agreement, and that the Company will report on its antitrust compliance program as set forth in Attachment D to this Agreement.

Deferred Prosecution

16. In consideration of the undertakings agreed to herein by the Company, the United States agrees that any prosecution of the Company for the conduct set forth in the Indictment and the Statement of Facts be and hereby is deferred for the Term.

17. The United States further agrees that if the Company fully complies with all obligations under this Agreement, the United States will not continue the criminal prosecution of

the Company for the offenses described in Paragraph 1 of the Agreement and, at the conclusion of the Term, this Agreement shall expire, except for the payment obligations set forth in Paragraph 8 of the Agreement, the Cooperation Obligations set forth in Paragraph 6 of the Agreement, and the divestiture obligations set forth in Attachment E of the Agreement. Within thirty (30) days of the later of the Company's paying in full the penalty amount set forth in Paragraph 8 of the Agreement or the expiration of the Term, the United States shall seek dismissal with prejudice of the Indictment described in Paragraph 1 of the Agreement.

Breach of Agreement

18. If the United States determines, in its sole discretion, that during the Term of this Agreement the Company has (a) committed any felony offense under U.S. federal law; (b) provided to the United States deliberately false, misleading, or materially incomplete information, including in connection with its disclosure of information about individual culpability; (c) failed to satisfy any Cooperation Obligations as set forth in Paragraphs 6 and 7 of this Agreement; (d) failed to satisfy the requirements set forth in Attachment C; or (e) otherwise failed to completely perform or fulfill any of the Company's obligations under this Agreement, regardless of whether the United States becomes aware of such a breach after the Term is complete, the Company shall thereafter be subject to prosecution for any federal criminal violation related to the sale of generic drugs in the United States of which the United States has knowledge, including, but not limited to, the charges in the Indictment described in Paragraph 1, which may be pursued by the United States in the United States District Court for the Eastern District of Pennsylvania or any other appropriate venue. Any such prosecution may be premised on information provided by any source, including but not limited to the Company.

19. Any such prosecution relating to the conduct described in the Statement of Facts

or relating to conduct known to the United States prior to the date of the signing of this Agreement that is not time-barred by the applicable statute of limitations on the Effective Date may be commenced against the Company, notwithstanding the expiration of the statute of limitations between the Effective Date and the expiration of the Term plus one year. Thus, by signing this Agreement, the Company agrees that the statute of limitations with respect to any such prosecution that is not time-barred on the Effective Date shall be tolled for the later of the duration of the Term plus one year, or the full payment of the penalty described in Paragraph 8 plus one year.

20. In the event the United States determines that the Company has breached this Agreement, the United States agrees to provide the Company with written notice of such breach prior to instituting any prosecution resulting from such breach. Within thirty (30) days of receipt of such notice, the Company shall have the opportunity to respond to the United States in writing to explain the nature and circumstances of such breach, as well as the actions the Company has taken to address and remediate the situation, which the United States shall consider in determining whether to pursue prosecution of the Company.

21. In the event that the United States determines that the Company has breached this Agreement: (a) all statements made by or on behalf of the Company to the United States or to the Court, including the Statement of Facts, and any testimony given by any individual before a grand jury, a court, or any tribunal, or at any legislative hearings, whether prior or subsequent to this Agreement, and any leads derived from such statements or testimony, shall be admissible in evidence in any and all criminal proceedings brought by the United States against the Company; and (b) the Company shall not assert any claim under the United States Constitution, Rule 11(f) of the Federal Rules of Criminal Procedure, Rule 410 of the Federal Rules of Evidence, or any

other federal rule that any such statements or testimony made by or on behalf of the Company prior or subsequent to this Agreement, or any leads derived therefrom, should be suppressed or are otherwise inadmissible. The decision whether any conduct or statement of any current or former director, officer, or employee, or any person acting on behalf of, or at the direction of, the Company, will be imputed to the Company for the purpose of determining whether the Company has violated any provision of this Agreement shall be in the sole discretion of the United States.

22. The Company acknowledges that the United States has made no representations, assurances, or promises concerning what sentence may be imposed by the Court if the Company breaches this Agreement and this matter proceeds to judgment. The Company further acknowledges that any such sentence is solely within the discretion of the Court and that nothing in this Agreement binds or restricts the Court in the exercise of such discretion.

23. On the date that the Term expires or on the first business day thereafter, as set forth in Attachment F, the Company, by its President, will certify to the United States that the Company has met the disclosure obligations set forth in Paragraph 7 of this Agreement. Each certification will be deemed a material statement and representation by the Company to the executive branch of the United States for purposes of 18 U.S.C. §§ 1001 and 1519, and it will be deemed to have been made in the judicial district in which this Agreement is filed.

Sale, Merger, or Other Change in Corporate Form

24. The Company agrees that, during the Term, if it undertakes any change in corporate form, including if it sells, merges, or transfers business operations that are material to the Company's consolidated operations, excluding the divestiture referenced in Attachment E, whether such sale is structured as a sale, asset sale, merger, or transfer, it shall provide notice to the United States at least sixty (60) business days prior to undertaking any such sale, merger,

transfer, or other change in corporate form. Unless, after receiving the required notice from the Company of the transaction, the United States consents in its sole discretion that a specific transaction will not be subject to this provision, the Company shall include in any contract for sale, merger, or transfer a provision binding the purchaser, or any successor in interest thereto, to the obligations described in this Agreement. Unless the United States consents as described above, the purchaser or successor in interest must also agree in writing that the United States' ability to enforce all provisions of this Agreement, including to determine that it has been breached, is applicable in full force to that entity. The Company agrees that, unless the United States consents as described above, the failure to include these provisions in the transaction will make any such transaction null and void. The United States shall inform the Company within thirty (30) business days of receiving the Company's notification if it consents that the transaction(s) will not be subject to this provision, or if it determines that the transaction(s) will have the effect of circumventing or frustrating the purposes of this Agreement. If the United States does not respond to the Company's notification within thirty (30) business days, the transaction(s) at issue shall be deemed not to be subject to this provision and not to have the effect of circumventing or frustrating the purposes of this Agreement. If at any time during the Term the Company engages in a transaction(s) that has the effect of circumventing or frustrating the purposes of this Agreement, the United States may deem it a breach pursuant to Paragraphs 17–22 of this Agreement. Nothing herein shall restrict the Company from indemnifying (or otherwise holding harmless) the purchaser or successor in interest for penalties or other costs arising from any conduct that may have occurred prior to the date of the transaction(s), so long as such indemnification does not have the effect of circumventing or frustrating the purposes of this

Agreement, as determined by the United States in its sole discretion.

Public Statements by the Company

25. The Company expressly agrees that it shall not, through present or future attorneys, officers, directors, employees, agents, or any other person authorized to speak for the Company or any direct or indirect parent, make any public statement, in litigation or otherwise, contradicting the acceptance of responsibility by the Company set forth above or as described in the Statement of Facts. Any such contradictory statement shall, subject to cure rights of the Company described below, constitute a breach of this Agreement, and the Company thereafter shall be subject to prosecution as set forth in Paragraphs 17–22 of this Agreement. The decision whether any public statement by any such person contradicting a fact contained in the Statement of Facts will be imputed to the Company for the purpose of determining whether it has breached this Agreement shall be at the sole discretion of the United States. If the United States determines that a public statement by any such person contradicts in whole or in part a statement contained in the Statement of Facts, the United States shall so notify the Company, and the Company may avoid a breach of this Agreement by publicly repudiating such statement(s) within five (5) business days after notification. The Company shall be permitted to raise defenses and to assert affirmative claims in other proceedings relating to the matters set forth in the Statement of Facts provided that such defenses and claims do not contradict, in whole or in part, a statement contained in the Statement of Facts. This Paragraph does not apply to any statement made by any present or former officer, director, employee, or agent of the Company in the course of any criminal, regulatory, or civil case initiated against such individual, unless such

individual is speaking on behalf of the Company.

26. The Company agrees that if the Company or any direct or indirect parent issues a press release or holds any press conference in connection with this Agreement, the Company shall first consult the United States to determine: (a) whether the text of the release or proposed statements at the press conference are true and accurate with respect to matters between the United States and the Company; and (b) whether the United States has any objection to the release or proposed statements.

Limitations on Binding Effect of Agreement

27. This Agreement is binding on the Company and the United States Department of Justice, Antitrust Division, but specifically does not bind any other component of the Department of Justice, other federal agencies, or any state, local or foreign law enforcement or regulatory agencies, or any other authorities.

Generic drugs sold by Glenmark and its co-conspirators, as well as payments for affected generic drugs, traveled in interstate commerce. The business activities of Glenmark and its co-conspirators in connection with the production and sale of generic drugs affected by this conspiracy were within the flow of, and substantially affected, interstate trade and commerce. Generic drugs affected by the activities of Glenmark and its co-conspirators were sold to customers in this District.

4. *Periodic Risk-Based Reviews.* The Company will conduct periodic antitrust risk assessments to ensure that its antitrust compliance program, including internal controls, is tailored to the Company's individual circumstances. In undertaking such risk assessments, the Company will review its policies and procedures and make any necessary adjustments and updates based on changes in the Company's operations, circumstances, legal developments, and industry practices.
5. *Training and Communication.* The Company has developed an antitrust compliance training program tailored to the Company's specific antitrust risks and will periodically update the program to ensure that it reflects the Company's current antitrust policies and reporting procedures, and legal, technical, or marketplace developments. The audience, timing, frequency, form, and content of the Company's antitrust training should be commensurate with the Company's operations and circumstances. The Company should make certain that all relevant employees (regardless of management level or location) understand the antitrust training and when and how to report a possible antitrust violation. Training may include participation and compliance certifications as appropriate. The Company will also maintain detailed records of training and compliance-related communications.

6. *Monitoring and Auditing.* The Company will continue to conduct regular monitoring and auditing of its antitrust compliance program to ensure that the program is fully implemented and followed. If the Company's monitoring and auditing functions detect potential violations, they will be reported to the Company's governing authority by the individual(s) responsible for the compliance program. The Company will also revise its policies, procedures, and internal controls as appropriate to reflect the results and findings of monitoring and audit activities.
7. *Reporting and Guidance.* The Company has implemented an effective and confidential system for communication that employees may use to seek guidance, raise concerns, or report potential antitrust violations anonymously and confidentially without fear of retaliation. The system will continue to be widely disseminated to all relevant employees and will be designed to respond promptly to all communications. The Company will continue to maintain detailed records of any communications through this system and how those communications were addressed.
8. *Incentives and Discipline.* The importance of antitrust compliance will be reflected in the Company's employee evaluation, incentive, and compensation structure. The Company will discipline employees, managers, and senior executives as appropriate for antitrust compliance failures.
9. *Remediation.* The Company shall have procedures in place to address failures in the Company's antitrust compliance program and to communicate changes in its policies to employees.

Attachment D: Compliance Reporting Requirements

As part of the Deferred Prosecution Agreement between Glenmark Pharmaceuticals Inc., USA (the “Company”), and the United States Department of Justice, Antitrust Division (“United States”) dated July 31, 2023 (“Agreement”), the Company agrees that it will report to the United States regarding implementation of the Company’s compliance program, including policies, procedures, and internal controls described in Attachment C. During the Term, the Company shall: (1) conduct an initial review and submit an initial report, and (2) conduct and prepare at least two (2) follow-up reviews and reports, as described below:

1. By no later than six (6) months from the Effective Date of the Agreement, the Company shall submit to the United States a written report setting forth a complete description of the Company’s antitrust compliance program, any proposals reasonably designed to improve the Company’s policies, procedures, and internal controls for ensuring compliance with the criminal antitrust laws, and the proposed scope of the subsequent reviews. The report shall be transmitted to Ryan Tansey, Chief, Washington Criminal I Section, Antitrust Division, U.S. Department of Justice, 450 Fifth St. NW, Suite 11300, Washington, DC, 20530. The Company may extend the time period for issuance of the report with prior written approval of the United States. The United States may respond to the report by requesting additional information and/or requesting that the Company take further action to improve its policies, procedures, and internal controls for ensuring compliance with the criminal antitrust laws.

2. The Company shall undertake at least two follow-up reviews, and the Company shall submit to the United States a written report setting forth a complete description of each follow-up review. The follow-up reviews and reports shall incorporate comments from the United States on the Company’s prior reviews and reports, to further monitor and assess whether

the Company's policies, procedures, and internal controls are reasonably designed to detect and prevent violations of the criminal antitrust laws.

3. The first follow-up review and report shall be completed by no later than one year after the initial report is submitted to the United States. The second follow-up review and report shall be completed and delivered to the United States no later than thirty days before the end of the Term.

4. The reports likely will include proprietary, financial, confidential, and competitive business information. Moreover, public disclosure of the reports could discourage cooperation and impede pending or potential government investigations, and thus undermine the objectives of the reporting requirement. For these reasons, among others, the reports and the contents thereof are intended to remain and shall remain non-public, except as otherwise agreed to by the parties in writing, or except to the extent that the United States determines in its sole discretion that disclosure would be in furtherance of the United States' discharge of its duties and responsibilities or is otherwise required by law.

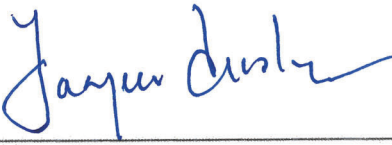

5. The Company may extend the time period for submission of any of the follow-up reports with prior written approval of the United States.

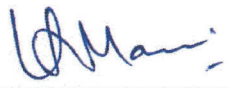

Attachment E: Divestiture

As part of the Deferred Prosecution Agreement between Glenmark Pharmaceuticals Inc., USA (the “Company”) and the United States Department of Justice, Antitrust Division (“United States”) dated July 31, 2023 (“Agreement”), the Company agrees that, within seven (7) months of the Effective Date, it will amend its distribution agreement with Glenmark Pharmaceuticals Ltd. to rescind the Company’s rights to distribute the generic drug pravastatin in the United States. The Company agrees that it will provide to the United States quarterly reports on its efforts to complete this divestiture until such divestiture is completed to ensure compliance with this Agreement. Absent explicit approval from the United States, the Company will cease all sales and supply of pravastatin in the United States no later than seven (7) months after the Effective Date. The Company will notify the United States in writing when it has concluded pravastatin sales; the date of that notice shall be referred to as the Divestiture Date. The Company shall not resume sales of pravastatin in the United States until five (5) years after the Divestiture Date.

Glenmark Pharmaceuticals Ltd. agrees that it will make its best efforts to locate and contract with another entity to distribute pravastatin in the United States following the Company’s divestiture. Glenmark Pharmaceuticals Ltd. may continue to sell pravastatin in the United States through its current Master Manufacturing Agreement with its current customer. Glenmark Pharmaceuticals Ltd. agrees that it will not enter into any contractual or other relationship with any other Glenmark entity, Teva Pharmaceuticals, Inc. USA, Apotex Corp., or any related entities—regardless of whether the entity exists as of the Effective Date—for the sale or distribution of pravastatin in the United States for a period of at least five (5) years from the Divestiture Date.
