

Updated Summary of Director Education Opportunities Available (April 2024)

A quarterly update of high-quality education opportunities for Boards of Directors of public and pre-IPO companies and members of private boards.

Boards of Directors of public and pre-IPO companies find this a useful resource as they look for high quality education opportunities.

This quarter's update includes a number of new opportunities as well as updates to the programs offered by organizations that have been included in our prior updates. Some of the new opportunities include unique events for members of private boards.
